### EXPERIENCE:

Steve Dimakos is responsible for claims coordination and client quality assurance within Quantum Global Advisor's Loss Consulting Practice. As a skilled loss consultant, Mr. Dimakos also maintains a leadership role in developing claim strategy, insurance policy review, and disaster preparedness reviews for clients.

### Insurance Claims Consulting:

Directed and implemented claims strategy including developing preliminary loss estimated for establishing reserve figures, and conducting insurance policy analysis to review clients' entitlements under their insurance contracts. Mr. Dimakos' skills have been the foundation for the successful settlement of claims in all areas of businesses including light and heavy manufacturing, real estate, healthcare, and retail. A partial list of recent clients includes:

Anderson Community School District	Draper & Kramer	Miller Industries
Aromatique, Inc.	Engineered Products	Montmore Timber Products
Bay's English Muffins	First National Real Estate	Murray State University
Bell Sports Corporation	Equity Office Properties	Orix Real Estate
Beta Steel Corporation	Florida Ordinance Corp.	Park Warwick Hotel
CenterMark Properties	Forest Hospital	Silverstein Properties
Chemcentral Corporation	General Growth	Specialty Food Corp.
Chicago Steel Corporation	Globe Industries	Springfield Forest Products
Citizen Publishing	JMB Realty Corporation	SYSCO Corporation
City of Stroud, Oklahoma	Leigh Fibers	Toumey Hospital
Columbia Forest Products	Lutheran General Hospital	Western NonWovens
Dain Management Corp.	Menorah Medical Center	Westfield Corporation
		Wheaton Franciscan Services, Inc

Advised clients in areas of disaster recovery and FEMA claims strategy following Hurricane Hugo, Midwest Floods, Fort Worth tornadoes, Oklahoma tornadoes, and hurricanes Katrina and Ivan.

Mr. Dimakos has been a property loss consultant since 1984. Mr. Dimakos has prepared and certified property insurance claims in numerous jurisdictions.
